

Quality, Flexibility & Reliability

THE TOYOTA SIENNA REAR-ENTRY MINIVAN.

The Toyota Sienna was rated by leading automotive magazines as having the best power, handling and steering among minivan choices. The Toyota Sienna Rear-Entry from MobilityWorks® Commercial also features the widest ramp (36") and the highest ramp capacity (1,000 lbs.) available in the industry.

It's what you'd expect from MobilityWorks Commercial, the leading provider of ambulettes, wheelchair accessible vans, shuttles and minivans in America. You'll have peace of mind knowing you have the best and safest vehicles possible to transport your passengers.

FLEXFLAT. A RAMP AND A USABLE SURFACE.

Before — Vertical

After — Flat

FLEXFLAT™

It's a wheelchair ramp that folds flat when not in use. It's there when you need it and folds out of the way when you don't, creating a useable deck like a standard minivan.

Perfect for luggage, boxes, cargo, golf clubs and more.

- No more barriers
- Like having both regular and accessible vans in one
- Converts in just seconds
